**READING INSTRUCTIONS:** The items in this catalog are in alphanumeric order. Applications are referred to tractor/harvester's Series. If you're not sure the item is compatible with your machine, please contact your Sales Manager.

*ISTRUZIONI DI LETTURA: I codici inseriti nel catalogo sono in ordine alfanumerico. Le applicazioni si intendono per Serie trattore o mietitrebbia. Contattare il commerciale di riferimento in caso di dubbi sulla compatibilità di un articolo al proprio modello di trattore o mietitrebbia.*

# ABOUT

## ITR AGRI is the specialized line of replacement parts for tractors and harvesters distributed by Barani Natale & Figli.

Barani Natale & Figli was founded over 50 years ago in the heart of Italy's Motor Valley as a supplier of original replacement parts for agricultural tractors. Well established in the Reggio Emilia area, the company soon became a point of reference for the local machine-shops and spare parts dealers.

In 2013, Barani Natale & Figli became part of the USCO ITR Group, global leader in the field of replacement parts for earth-moving machines, and launched ITR AGRI, the aftermarket line dedicated to the agricultural sector.

ITR AGRI combines the product-related technical expertise and extensive knowledge of the agriculture market possessed by the Barani Natale & Figli team, with the commercial viability, field-sales and logistics strength acquired at international level by USCO ITR in the earth-moving industry.

With the support of USCO ITR, Barani Natale & Figli now focuses on expanding the ITR AGRI line by offering a quality service in terms of availability of products in stock, tight lead times and expert technical support.

Barani Natale & Figli is now able to provide a full range of both original and aftermarket parts for tractors and harvesters.

## *ITR AGRI è la linea di prodotto specializzata in parti di ricambio per trattori e mietitrebbie distribuita da Barani Natale e Figli.*

*Barani Natale e Figli nasce oltre 50 anni fa nel cuore della motor valley italiana come fornitore di ricambi originali per macchine agricole. Ben radicata in territorio reggiano, diventa velocemente un punto di riferimento per le officine meccaniche e i ricambisti locali.*

*Nel 2013 Barani Natale e Figli entra a far parte del gruppo USCO ITR, leader mondiale nel settore dei ricambi per macchine movimento terra, e lancia ITR AGRI, la linea aftermarket dedicata al settore agricolo.*

*ITR AGRI riunisce da un lato le competenze tecniche di prodotto e le conoscenze di mercato del settore agricolo del team di Barani Natale & Figli, dall'altro la forza commerciale, distributiva e logistica in ambito internazionale di USCO ITR nel settore del movimento terra.*

*Con il sostegno di USCO ITR, la mission di Barani Natale & Figli è ora quella di ampliare la linea ITR AGRI puntando sull'offerta di un servizio di qualità in termini di disponibilità a stock, tempi di consegna rapidi e supporto tecnico esperto.*

*Oggi Barani Natale & Figli è in grado di fornire un'offerta completa che include ricambi per trattori e mietitrebbie, sia originali che aftermarket.*
